ANNUAL REPORT

THE SOURCES FOUNDATION WORKS WITH THE COMMUNITY TO RAISE FUNDS TO SUPPORT THE WORK OF SOURCES COMMUNITY RESOURCES SOCIETY.

Sources Foundation is a non-political, non-governmental, charitable institution and public foundation governed by a volunteer Board of Directors. Since 1992, fundraising efforts, bequests, corporate and individual donations have helped us to create a new food bank, pilot services to ensure the safety of seniors, run a hot lunch program for vulnerable women and children, and much more.

Sources Community Resources Society is an internationally-accredited, community-based, not-for-profit agency that has served as a dependable source of help, encouragement and hope for individuals

and families in White Rock, Surrey, Delta, Langley, Prince George and beyond since 1978. Last year, the Society's programs and services touched the lives of 56,000 people from across the Lower Mainland and Northern B.C.

The Foundation raises funds to support the Society's programs, which support children, youth, families, persons with disabilities, seniors, and others who are coping with isolation, addiction, poverty, disability and conflict. While some programs receive government funding for some initiatives, many programs are entirely community funded.

FAMILIES & CHILDREN

Families and children are the foundation of an inclusive, resilient community. By funding legal aid, counselling, support groups and more, we can offer free resources help make a difference in these lives.

POVERTY RELIEF

Poverty drains individuals and society. By providing hunger relief, housing and income supports, we give hope back to our community's most vulnerable people and empower them to recover and thrive.

COMMUNITY SUPPORT

A healthy community is a result of caring for each other. Our programs are geared to help those in need by opening doors to access medical care, combat social isolation and more.

MESSAGE FROM THE PRESIDENT

The year has flown by!

As I reflect on the past year, there are many things that stand out as both achievements of the organization, as well as, a maturing of the Foundation and our place in the community.

The Sources Foundation continues to forge new relationships in the community and strengthen existing ones. From community-led food drives to working with service groups and other foundations, SOURCES has established itself as a “go to” partner and trusted leader in the communities we serve.

Looking back on some of the highlights demonstrates just how far the Foundation has come in a short period of time. In June 2018 the Sources Foundation was honoured to be the recipient of support from the Semiahmoo Rotary Club Golf Tournament, raising over \$61,000 for the Dolly Parton’s “Imagination Library” Program. Once again, SOURCES participated in the “Coldest Night of the Year” walk and despite the closure of the waterfront due to the winter storm, it was our most successful walk yet.

Our Annual Gala was beyond anyone’s best hopes in terms of funds raised. It is the Foundation’s signature event of the year and with our sponsor dinner in November, we were able to add a new “Platinum Plus Sponsor” category. At the event, the Foundation was thrilled to recognize Susan Byrom from First West Foundation as our Community Hero.

SOURCES is in our community to help. We have been here for over 40 years and will continue to help our community for decades to come. From time to time we all need a hand; that’s what community is all about. Nothing could demonstrate that better than our “DiscoverY” program; helping youth in need of support services in our communities.

I am honoured to work with a dedicated and talented Board of Directors who all care deeply about our communities and serve with passion and dedication. I would like to specially acknowledge Elizabeth Jones and Jay Minhas, who have both been on the Foundation Board since 2015 and stepped down earlier this year. Thank you for your contributions. Finally, thank you to our management, staff and hundreds of volunteers – you make SOURCES and our Foundation a meaningful and integral part of our community.

MESSAGE FROM THE CEO

A Note of Thanks

Allow me to express my heartfelt gratitude to all of you for your donations to our Foundation to support our community programs. I know that you have many choices about where you make a donation and I thank you for choosing our charity. Many of you also give of your time and energy to help us raise funds to create and sustain services that would not otherwise be available. From the schoolchildren who walk to raise money for homelessness programs to the corporate sponsors of our various events – each of you make an important contribution to community. You are generous. And you are kind.

My thanks to each and every one of you for the confidence that you place in our Foundation's ability to invest your donations wisely – both through funding needed community programs and in growing our Community Investment Fund – designed to sustain services for future generations. The trust you place in SOURCES to design and deliver services that will make a positive difference for all is a tremendous source of encouragement. You are supportive. And you inspire us to do more.

Finally, let me give thanks to all of you for taking the time to learn more about what we do in community. You have taken the time to get to know us and to build trusting relationships with us. Whether you are a church congregation or a local service club or simply our neighbour down the street, we could not achieve our goals without your help. You are collaborative. And you are a pillar of strength.

You are our community.

Thank you,
David Young

“DISCOVERY” IS OUR VISION FOR A NEW MENTAL HEALTH AND WELLNESS PROGRAM FOR YOUTH IN OUR COMMUNITY.

Give a young person hope, encouragement and professional support by sponsoring their counselling sessions today.

Your gift will help young people in our community to access free, no-barrier counselling that is designed to promote mental wellness and prevent overdoses and suicide. Tragically, these “deaths of despair” occur disproportionately among young adults, and likewise, the rate of individuals being diagnosed with depression, anxiety and post-traumatic stress has been increasing – generally beginning at this time of life. Young adulthood represents a tremendous opportunity for positive guidance and intervention.

“Supporting young women and men to find their voices and their visions is the intention of DiscoverY.”

[DAVID YOUNG, SOURCES CEO]

This service is available to individuals as young as 12 years old up to 25 years old. Counselling is delivered in South Surrey/White Rock, and through outreach services to Newton and Cloverdale.

\$100 provides 1 youth with 1 counselling session. A client usually accesses 6 to 8 sessions.
No matter what amount you give, you will be helping a young person find hope for the future.

Together, let's help youth discover their future and realize their potential.

ABOUT THE PROGRAM

Every month, children registered in Dolly Parton's Imagination Library receive a free, home-delivered, brand new book from birth until they turn 5 years old. Each book is carefully selected for high quality, age-appropriateness that will bring the magic of reading to a child's home.

“To operate this program, the cost per child is \$3.55 per month; this covers the book and shipping. This incredible donation from the Semiahmoo Rotary Club will allow us to enroll every child on our wait list, and grant us the capacity to enroll even more children to the program.”

[CARRIE BELANGER, MANAGER
OF VOLUNTEER RESOURCES]

SEMAIAHMOO ROTARY CLUB CHARITY GOLF TOURNAMENT

Hundreds more children in Surrey and White Rock became eligible to receive a free book in the mail every month, thanks to a \$61,000 donation from the Semiahmoo Rotary Club to SOURCES' Dolly Parton's Imagination Library Program! The funds came from their successful 29th Annual Charity Golf Tournament at Morgan Creek Golf Course, held on **June 21, 2018**, which supported SOURCES for the first time.

Special thanks to the Bosa Family Foundation who was a key contributor and presenting sponsor of this event.

Through a silent auction of Christmas Stockings, donations and sales of Rotary Save-On-Foods Gift Cards, more than \$5,000 was fundraised for SOURCES South Surrey/White Rock and Langley Food Banks.

Thank you to Jas and to all who attended—because of you, we can make the holidays a little more merry and bright for our neighbours in need.

"We are very fortunate to live where we do, but there are people in our community without shelter or at risk of becoming homeless. CNOY is a great event to raise funds for SOURCES' Homelessness Prevention Services, but also to raise awareness of homelessness in Surrey and White Rock."

2019 SOURCES COMMUNITY HERO AWARD

SUSAN BYROM

(Executive Director,
Community Investment
and First West Foundation)

“Susan has been a champion for us – our Food Banks, Rent Bank, Women’s Place and other programs. She has brought teams of volunteers from Envision Financial to work with our volunteers in weighing, sorting, and distributing food. She has rolled up her sleeves and helped us with garden maintenance at our centres.

She has also organized fundraisers for us, and leads Envision Financial’s Full Cupboard Campaign, which has raised a generous amount of food, funds and awareness for both our Food Banks.”

On April 13, 2019, The Queen of the Fairies and other mystical beings descended upon Hazelmere Golf & Tennis Club and bestowed mysterious powers to the 250 guests who entered our forest of dreams...these powers allowed them to cast spells of great fortune, which they generously used to help us fundraise far more than our \$275,000 goal...\$390,000! We are spellbound!

STORIES OF SUPPORT

For the 11th year in a row, Morgan Creek Golf Course cooked up turkey, stuffing, gravy and desserts and delivered the delicious meal for women and children to enjoy at SOURCES Women's Place's annual Christmas Lunch.

Joy Mauro (far right), owner of Turnabout Luxury Resale, organized a special promotion and Shopping Party at her South Surrey store in support of SOURCES Women's Place.

Thank you!

Amica at White Rock's "Helping Hands Program" put together 20 baskets full of non-perishable food items, gift certificates and blankets, for us to distribute at a seniors luncheon hosted by the White Rock Peninsula Rotary Club and SOURCES Women's Place.

The Semiahmoo Ravens Pee wee A1 Hockey Team made a special delivery to our White Rock/South Surrey Food Bank – dropping off boxes of donated food items for local families in need.

The Rotary Save-On-Foods Gift Card Program is the perfect example of a successful community-led fundraising initiative, and has raised over \$160,000 to-date for our local Food Bank in just two years!

When you shop with these specially-stickered Gift Cards, 17% of its value is donated to our White Rock/South Surrey Food Bank, at no cost to you! This is possible because of our “Food Bank Friends” – generous local businesses and organizations that sponsor the program.

Gift Cards can be purchased at approved vendors in the community. Make us part of your shopping routine, corporate rewards program or general gifting, and help feed another family while feeding your own!
