

FIGHTING COVID TOGETHER

MAY 23 | A CHARITY LIVE AUCTION EVENT | 7PM

“Entertainer at Home” package

Courtesy of Roland Canada Music

Have you always wanted to play a musical instrument? Your chance is here! Learn, perform and record your favourite songs on a top-of-the-line Roland piano. Keep your mind, fingers and senses sharp. Whether it's for you or your kids, the gift of music is a lifelong skill and passion that spreads joy and keeps on giving.

- Roland LX705 Digital Piano with Stand and Bench (Model: Polished Ebony)
 - Capture the atmosphere of the world's greatest stages and studios
 - PHA-50 Keyboard and Progressive Damper Action Pedals
 - Acoustic Projection System, with 2-way/4-speaker that work together to recreate the deep, rich sound field of an acoustic piano
 - Headphones Acoustic Projection for immersive and realistic playing experience when practicing on headphones
 - Includes a large and versatile collection of non-piano sounds such as electric piano, strings, organ, and many others
 - Connect your smartphone or tablet via Bluetooth® and practice piano with audio from apps routed through the piano's speaker system
- Roland LCL-50 Folding Clip Light
 - Warm white light with multiple brightness settings
 - 24 LED lamps and durable clips
 - Rechargeable battery with included USB charging cable; AC power adapter included
- Roland RH-200 Stereo Headphones
 - Black, coiled-cable version of the RH-200S headphones
 - Professional stereo headphones with exceptional clarity and accuracy
 - Adjustable, lightweight design provides superior sound isolation and comfort

- High-power capacity with 40mm drivers, neodymium magnets and CCAW voice coils
- 180° rotating ear pieces for single-ear monitoring
