

# **FIGHTING COVID TOGETHER**

**MAY 23 | A CHARITY LIVE AUCTION EVENT | 7PM**

## **“Home Office” Package**

*Donated by EC Managed IT, Uptown Business Machines Inc. and TELUS*

Upgrade your workspace and stay productive while staying home! Work from anywhere with an ultra-light tablet computer and the latest smartphone boasting 3 pro camera lenses! Capture stunning images and print them off in seconds to display around your home.

- Microsoft Surface Pro 6 with pen and keyboard
  - Microsoft Surface Pro 6 is ultra-light and versatile - go from laptop to tablet to portable studio! Features 8<sup>th</sup> Gen Intel Core processor with 256GB storage and 8GB memory.
  - Surface Pen is better and faster than ever, with precision ink on one end and a rubber eraser on the other – plus tilt for shading, greater sensitivity, and virtually no lag. Connects via Bluetooth 4.0.
  - Surface Pro Type Cover keyboard adjusts to virtually any angle and clicks easily into place. Includes LED backlighting, optimum key spacing for fast, fluid typing and a large glass trackpad for precise control and navigation.
- Lexmark Colour Laser Printer/Scanner/Copier/Fax (Model : MC2535adwe)
  - Multifunction product with 4.3-inch colour touch screen outputs at up to 35 pages per minute and scans at up to 50 pages per minute.
  - Reliable, flexible media handling supports cardstock, small media, and envelopes from the main tray or a convenient single-sheet feeder.
  - Compact footprint (Dimensions: 18.2 x 17.4 x 23.1 inches; 27.1 kg).
  - Connect easily via Ethernet, USB, Wi-Fi or simple mobile printing options.
  - Lexmark’s full-spectrum security architecture helps keep your information safe – in the document, on the device and over the network.
  - Energy management features reduce power consumption in active use or sleep mode.

- Includes set-up and install at the customer location using all personal distance methods available.
  - Includes one-year monitoring services as part of the overall package.
- TELUS – Samsung Galaxy S10
  - The Galaxy S10 camera works like the human eye. With 3 pro lenses, everything from selfies to panoramic shots are captured as you see them. With the ultra-wide lens, nothing, or nobody, is left out of view.
  - Enjoy customizable 3D surround sound with Dolby Atmos technology.
