

SOURCES SOURCES FOR OUR COMMUNITY

ANNUAL REPORT

FAMILIES & CHILDREN

Families and children are the foundation of an inclusive, resilient community. By funding legal aid, counselling, support groups and more, we can offer free resources to help make a difference in these lives.

POVERTY RELIEF

Poverty drains individuals and society. By providing hunger relief, housing and income supports, we give hope back to our community's most vulnerable people and empower them to recover and thrive.

COMMUNITY SUPPORT

A healthy community is a result of caring for each other. Our programs are geared to help those in need by opening doors to access medical care, combat social isolation and more.

THE SOURCES FOUNDATION WORKS WITH THE COMMUNITY TO RAISE FUNDS TO SUPPORT THE WORK OF THE SOURCES COMMUNITY RESOURCES SOCIETY.

Sources Foundation is a non-political, non-governmental, charitable institution and public foundation governed by a volunteer board of directors. Since 1992, fundraising efforts and bequests as well as corporate and individual donations have helped us to create a new food bank, pilot services to ensure the safety and mental well-being of young people and seniors, run a hot lunch program for vulnerable women and much more.

The Sources Community Resources Society is an internationally-accredited, community-based, not-for-profit agency that has served as a dependable source of hope, strength and resilience for individuals and families throughout the Lower Mainland, Northern BC and Vancouver Island since 1978.

The Foundation raises funds to support the Society's programs, which, in turn, support children, youth, families, persons with disabilities, seniors and others who are coping with isolation, addiction, poverty, disability and conflict. While some programs receive government funding for some initiatives, many programs are entirely community-funded.

MESSAGE FROM THE CEO

"...gratitude is happiness doubled by wonder." — Gilbert K. Chesterton

Gratitude is something best given away and often but, sometimes, in our busy day-to-day life, we don't always have the opportunity to express it. So, let me take this moment to thank you for your confidence in SOURCES to deliver high quality and highly effective services and support to people in need. Thank you for your trust in us to manage your donations wisely and your investment in community. You are a vital

and integral part of the success stories contained in this report.

The past year has most definitely been one of growth and development for our Foundation. We have had the privilege of initiating new partnerships within community and expanding existing ones. Let me share with you four partnership examples that have helped us serve those in need.

Not only did we continue our partnership with the Semiahmoo Rotary Club and Save-On-Foods for the gift card program but we saw it grow from a 17 per cent distribution to the food bank to an astounding 22 per cent! Much to our champion John Block's surprise, as well as mine, six new sponsors joined our collaborative effort including HollisWealth – Lions Gate Private Wealth Counsel, Duradek, Murphy Wall-Beds, Smile Dental Implant Center, Westminster Savings Credit Union (now Prospera Credit Union) and White Rock Travel & Cruises. They join our sustained sponsors as we embark on the fourth year of this unique fundraising program. In the last year, with support from them and our community vendors, more than \$133,000 worth of gift cards were sold. Many thanks to all of you.

In February 2020, we hosted our seventh annual Coldest Night of the Year Walk in partnership with Blue Sea Foundation. My thanks to Elkay Developments who have continued as our lead sponsor as well as to HomeLife Benchmark Realty – White Rock for their contributions as a supporting sponsor. The City of White Rock also stepped up their involvement and helped us achieve an incredible result. Together with other agencies across the country, including more than 26,000 walkers and 90,000 donors, close to \$6.5 million was raised to help keep people fed, housed and safe.

In June of 2019, we were able to, once again, co-host a charity golf tournament with the Semiahmoo Rotary Club. This has led to a three-year partnership agreement to work together to raise money for SOURCES and the Rotary Club's various community projects. It has been an honour to work with all of the Rotary clubs on the peninsula – Peace Arch, Semiahmoo, South Surrey, White Rock and White Rock Peninsula – and their dedicated volunteers.

We were delighted that Darrell Jones, President of Save-On-Foods, agreed to serve as chair of both our 2019 Enchanted and 2020 Run for the Roses galas. Save-On-Foods also agreed to be the presenting sponsor for Run for the Roses as well. Given the need to manage COVID-19, Darrell and his team have stayed by our side as we navigated the challenges associated with this. Indeed, all of our gala sponsors, donors and ticketholders have been remarkably generous and supportive. We look forward to continuing our partnership with all of you.

Although these are unprecedented and difficult times and no one knows what the future may hold, what we do know is that we are stronger together and it is our connectedness that will see us through. The community partnerships that SOURCES has with so many of you sustains us. You encourage us and you inspire us.

I take my hat off to you.

David

MESSAGE FROM THE PRESIDENT

Another year has come and gone here at the Sources Foundation. Of course, to say it was a typical year would be the furthest thing from reality but, with adversity comes innovation, and as I look at the communities that SOURCES serves, I am struck by the tremendous generosity and caring from our volunteers, staff and the community at large.

The COVID-19 pandemic has placed significant additional pressures and logistical challenges on our staff and volunteers providing much needed services and, of course, fundraising has taken on a very different look.

The Foundation raised roughly \$840,000 in 2018/19 and that number grew to an incredible \$1.3 million in 2019/20. While a good portion of that was due to two significant estate gifts, even without those generous donations, the Foundation was able to raise 10.5 per cent more than last year. We were able to do this while keeping our administration costs in the lowest percentage range that represents the highest ranked category by Canada's top charity rating agencies for cost effectiveness. This means that more of the money we receive goes towards supporting social wellness for our community.

Last year's Semiahmoo Rotary charity golf tournament raised \$34,000 for the DiscoverY program while the 2020 tournament had to be postponed from June until September due to COVID. Our sincere gratitude goes out to the Semiahmoo Rotary Club for partnering with our Foundation on this great annual event.

This year's Coldest Night of the Year raised an amazing \$115,000 for SOURCES' homelessness prevention services and rent bank. The route changed with the White Rock promenade open again and it proved a terrific location for walkers of all ages to come and support this worthy cause.

COVID-19 was, again, a force of change when the Foundation's signature event, our Run for the Roses annual gala for 2020, had to be postponed and modified to ensure safety for everyone.

Our board is also undergoing a change as two directors step down. I wish to thank Bob Schmunk, who has served on the board since 2017 including as treasurer, and Larry Whitehead, who has served on the board since 2018, for sharing their time and expertise and helping to grow the Foundation to what it is today.

While this has been a challenging year, the generosity of our donors and sponsors has truly been inspiring. On behalf of the board of directors, thank you to everyone who has continued to support our Foundation even in difficult times. We look forward to another great year ahead – together.

June 20, 2019

ABOUT THE PROGRAM

DiscoverY is a short-term counselling program for young people aged 15 to 25. To be as low barrier as possible, there are no costs to the youth, no referral required and no waitlist. Our counsellors strive to help clients build resilience and explore new ways of communicating, coping and relating with both themselves and with the world around them.

·····

"With the age of social media, many young people underestimate the challenges their peers face and feel isolated in their own experience.

We want them to feel heard, understood and seen. Sometimes we need someone to walk alongside us on this journey and explore how our inherent strengths can create a more clear vision of where we want to be in our lives."

[DISCOVERY CO-ORDINATOR]

>>>>>>>>>>>

SOURCES partnered with the Semiahmoo Rotary Club for their 30th Annual Charity Golf Tournament! The event, held at the Morgan Creek Golf Course, was attended by a full complement of 144 golfers and raised \$34,000 for SOURCES. These critical funds will help young people in our community to access free mental health counselling through our Discovery program.

Gift cards can be purchased at approved vendors in the community. Make us part of your shopping routine, corporate rewards program or general gifting and help feed another family while feeding your own.

To learn more, visit our website or contact us at fundsforfood@sourcesbc.ca

In the fall of 2019, SOURCES launched an exciting campaign to boost the Rotary Save-On-Foods gift card program. Previously, for every gift card sold, 17 per cent of its value would benefit our White Rock/South Surrey food bank – at no cost to the shopper. But what was good, just got better! With the addition of six local businesses sponsoring the program, the food bank now receives 22 per cent of card sales and 100 per cent of that is used to purchase fresh, healthy food.

Since 2016, this program has raised close to \$220,000 for our local food bank!

Without our generous Food Bank Friends, this would not be possible. Thank You!

5

COLDEST NIGHT OF THE YEAR

Out of 144 locations hosting **CNOY** events across Canada, our "city by the sea" ranked #8 for dollars raised!

As the weather turns cooler, our thoughts also turn to helping the most vulnerable in our community to stay safe, warm and housed.

In December 2019, to prepare for our 7th annual Coldest Night of the Year (CNOY) fundraiser, Amica at White Rock hosted our first-ever kick-off breakfast for team captains to amp them up for the February event. Thank you, Amica!

CNOY took over the White Rock waterfront on February 22, 2020. Starting at the new Memorial Park plaza, more than 400 community members came together in support of our homelessness prevention services and rent bank. Through their generous and compassionate efforts, more than \$115,000 was raised!

We are grateful for the patience and understanding of our sponsors and guests as we adjust our event to keep in line with public health guidance. We look forward to a more intimate fall gala and celebrating community together.

To mark 25 years of our signature fundraiser, the annual gala, a Kentucky Derby-themed event was planned to take place April 25, 2020 at Hazelmere Golf and Tennis Club. However, due to the COVID-19 pandemic and advisories against large social gatherings, we made the decision to modify and postpone our "Evening at the Races" until November 7, 2020.

STORIES OF SUPPORT COMFORT AND CARE DURING COVID-19

Everything changed in mid-March when the World Health Organization declared the COVID-19 outbreak a pandemic. Businesses ground to a halt and people stayed home while healthcare providers and many non-profit organizations and charities remained open to serve the most vulnerable.

SOURCES programs also remained open to provide essential social services to the growing number of people who found themselves in need of hope and support. To ensure we could continue serving our community while maintaining the health, safety and wellness of our team, in April, we launched an emergency response fund and called it "Comfort and Care During COVID-19."

We asked the community for help, with the intent of applying funds raised strategically to areas of critical need and the community responded. Donations poured in and, while many were designated to a specific program or service, more than \$43,000 in total was entrusted to our COVID-19 response fund. These monies allow us to meet the growing demand for services including:

- Grocery shopping services for isolated and elderly community members
- Transportation to urgent medical appointments for mobility-challenged seniors
- Clinical and trauma counselling for individuals, couples and families
- Free mental health counselling for youth and young adults
- Advocacy and homelessness prevention services for increasingly vulnerable community members including those newly at risk due to COVID-19
- Additional supports for our food banks to address increased need for food and essential supplies (e.g. diapers and pet food) as well as the increased complexity and cost of food packaging and distribution

STORIES OF SUPPORT COMFORT AND CARE DURING COVID-19

Your generous gifts support individuals and families, allowing them to access multiple services during the pandemic from home and other remote means as much as possible, so that they can better protect themselves and their loved ones while also keeping our essential services running and our staff and volunteers safe.

To the individuals, businesses, community groups and others who supported us by making a monetary or in-kind donation, organized a fundraiser or volunteered – and to the organizations that stepped forward and provided grants to our Society and Foundation during these difficult times – thank you for providing comfort and care to our community!

STORIES OF SUPPORT FAMILIES & CHILDREN

Dine Out for DiscoverY

Tyson Blume, owner of Uli's restaurant on the White Rock waterfront, organized a special fundraiser at his establishment on June 25, 2019 to honour the late Anthony Bourdain – the well-known chef, author and TV personality – on what would have been his 63rd birthday.

An eight-course menu, inspired by food that Bourdain liked, was offered with the \$125 ticket price. One hundred per cent of proceeds would benefit DiscoverY, SOURCES' youth mental health counselling program.

The sold-out "Bourdain Day" dine-out event was a great success, boosting awareness and raising funds for DiscoverY. Even the restaurant staff all donated their evening's wages to the occasion and more than \$12,000 was raised!

Noting Bourdain was said to have taken his life as a result of years struggling with mental illness, specifically depression...celebrating Bourdain while supporting a program that helps youth navigating a difficult journey was an easy decision, said Blume. "If you can help one child or youth, that's huge."

[EXCERPT FROM PEACE ARCH NEWS]

Thank you to Tyson, his staff, patrons and businesses who supported the event by attending, donating and contributing to the silent auction and beyond! Your thoughtfulness and generosity goes a long way towards helping struggling youth and young adults to access free professional counselling.

STORIES OF SUPPORT POVERTY RELIEF

Rocco Forte can tell you all about the Coldest Night of the Year (CNOY).

Rocco is a student at Semiahmoo
Trail Elementary and captain of "Team
Semitrail." He has participated in the annual
fundraising walk since 2016. Leading up to
this year's event, he worked hard to promote
it to his classmates and community.

To raise awareness, Rocco started and starred in a YouTube series titled "Rocco Reports." In episode one, he interviews Jay Blaschuk, manager of Housing Support Services at SOURCES, and asks serious questions like who uses the Rent Bank, what SOURCES can do with the fundraised money and if a small donation can make a difference. In episode two, he gathers past teammates – his friends – and asks them what they each enjoy most about CNOY.

Rocco also got permission from teachers at school to show his videos to classmates and even got to share about CNOY on the morning announcements.

His activities caught the attention of the Peace Arch News and led to Rocco being interviewed himself. Rocco told them, "I'm a big fan of SOURCES...they have a lot of programs. Of course, a kid can't be on the board or a CEO but one thing I can do is help out with the Coldest Night."

To raise money, Rocco organized a hot chocolate sale at school. According to his mom, they poured 200 cups of hot chocolate, of which Tim Hortons donated 100 disposable cups. "We only used 50 disposable cups as most kids brought their own. We raised \$374.15 towards our team's fundraising."

Team Semitrail had set an ambitious goal of \$3,000. On event day, they counted more than \$3,500! This put them in ninth place out of 54 teams – what an accomplishment! To add to the excitement, Rocco co-emceed the opening ceremonies with David Young, CEO of SOURCES, and shared the stage with local politicians from federal, provincial and municipal governments.

Thank you, Rocco, for your energetic and fantastic support!

STORIES OF SUPPORT COMMUNITY SUPPORT

Blooming Hearts at Women's Place

When it comes to giving back, the possibilities are endless! Some give their wealth, expertise, time or items in need. Pam Wilson and Caroline Les of Dandelion Design, a South Surrey boutique gardening company, have been giving all of that to SOURCES' Women's Place over the last year.

In December 2019, they spent an afternoon with the women making festive centrepieces for the dining room and for them to take home. They brought all the supplies – evergreen foliage, ribbons and accents – from their own business and from West Coast Gardens.

All month long, Women's Place smelled like Christmas. "It was festive and fun," said Denise Darrell, SOURCES Executive Director of Community Services.

In February, Pam and Caroline returned and led a workshop making Valentine/spring-themed centrepieces. Like last time, the ladies of Women's Place each got to take one home and there were enough to decorate the dining room!

"We are so grateful. The ladies had an amazing time. So much joy and laughter."

[SUSAN HARLAND, VOLUNTEER COORDINATOR]

STORIES OF SUPPORT PARTNERING WITH COMMUNITY

The Great Turkey Run/Walk

Sources Foundation was proud to partner with the Rotary Club of White Rock and the City of White Rock to put on the first Brand New Great Turkey Run/ Walk, a fundraiser to support the redevelopment of the playgrounds at École Peace Arch and White Rock Elementary Schools.

"These schools are in immediate need of a replacement to their aging playgrounds. Major sections have been removed for safety reasons. Safer and better playgrounds would benefit not only the students but others in our community: children, parents, seniors, caregivers and neighbours. There is open access to them throughout the year as an active community play facility," said organizers.

Approximately 300 community members attended the morning event on October 6, 2019. Starting from Memorial Park on the White Rock waterfront, families and friends turkey-trotted 2 km or 5 km along Marine Drive and the newly repaired pier, enjoying a delicious bite prepared by the Turkey House & Deli along the way.

The weather was great and energy was high! More than \$90,000 was raised to help both elementary schools upgrade their playgrounds. Many thanks to the generous sponsors and donors who supported this inaugural event.

WHERE YOUR MONEY GOES

With the funds raised at our 2019 "Enchanted" gala, we were able to invest

\$90K

invested in engaging VOLUNTEERS to support isolated seniors, run a free dental clinic, complete lowincome tax returns and more.

\$25K

invested in our **CONCIERGE** social enterprise, to provide training and employment to marginalized women.

\$20K

invested in providing accessible and professional CLINICAL COUNSELLING for people who struggle to afford it.

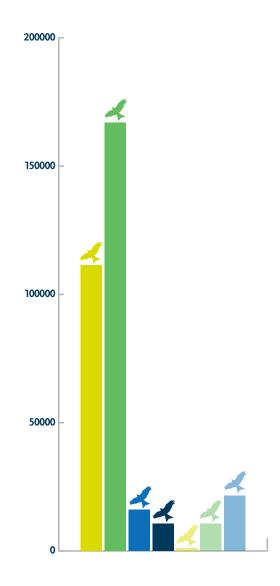

\$20K

invested in easing the pressures faced by our FOOD BANK in Langley, by keeping shelves stocked with fresh and healthy food choices.

DONATION DISBURSEMENTS

(excludes gala disbursements)

AUDITED FINANCIAL STATEMENTS

For the year ended March 31st, 2020

WE ARE PROUD OF OUR ABILITY TO KEEP OUR ADMINISTRATION COSTS UNDER 2%

so that more of your money goes towards supporting social wellness for our community.
